# ORTHEX GROUP

## Practical is beautiful

Orthex Group is a leading Nordic producer of household products with over 100 years of experience. We are proud to offer a broad assortment of products that are high quality, safe and functional. Our brands are strong, well-known and actively marketed. Over 90% of all products are manufactured in Sweden and Finland in our own factories.

Long-lasting products

Local production

Frequent use of recycled and bio-based materials

Target: carbon neutral production by 2030

## SHOWING THE WAY IN SUSTAINABILITY

Orthex Group's reputation for sustainability is a vital business asset that depends on the commitment of all our people to act in accordance with our ambitious sustainability strategy. Every day through our actions, each of us is responsible for making our strategy come to life through sound judgement and firm business decisions. We have made a commitment to show the way in sustainability

in our industry and we are actively supporting the UN sustainability goals.

Orthex Group is always committed to conduct business in a sustainable and responsible manner and we are happy to help our partners and consumers to do the same through working with Orthex and by selecting Orthex Group products. Orthex's sustainability report,

## SUSTAINABLE SOLUTIONS

Orthex aims to be the industry forerunner in sustainability by promoting safe and long lasting products, reducing the carbon footprint of its operations and products and sourcing an ever increasing amount of raw materials from bio-based and recycled plastic. Orthex has focused on sustainability since the early 1990s and has a clear focus on sustainability. Orthex aims for its production process to be carbon neutral by 2030.

Note: 1) Orthex signed the European Plastics Pact 6 of March 2020, the same date as the company received information about the possibility to sign the Pact

which details Orthex's sustainability targets, achievements and efforts, is published annually. You can find it on our web site at [www.orthexgroup.com](http://www.orthexgroup.com)
